Yearbook 2025

A complete NEX-perience

Meet the Founders

Ritesh Agarwal

| Tech leader & Startup founder

MBA, IIM Bangalore

B.Tech, IIT Bombay

Ex Consultant at ITC & BCG

Aman Choudhury

| Educationist & Business leader

MBA, ISB Hyderabad

B.Com Hons., SRCC Delhi

Ex Consultant at ZS & EY

“NEXIS was built on a bold idea. **World-class education can grow right here in Siliguri**, and give ambitious young people the confidence to aim higher.

We set out to create a place that works at the pace of today’s world and inspires students who want to build, explore, and push for more.

Our purpose is clear; to spark curiosity, fuel ambition, and become a destination students across India aspire to join. Their journey begins here and can travel as far as they dream.”

UG Founding Batch 2025-28

They were our first believers, the ones who joined when there were no seniors, no alumni, no past stories. They came with questions, dreams, and courage. They built clubs, launched ideas, and created the culture of NEXIS from scratch. Every presentation, project, and laughter-filled brainstorming session became a part of our story.

Students across diverse streams

In The Heart Of The City

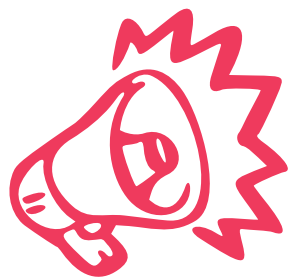

The NEXIS Launchpad: 10 Days Of Orientation

It wasn't just a normal orientation. For 10 days straight, the campus became a high-energy workshop where we **shed the student skin** and put on the professional one.

We jumped into challenges like the **Ad Making Wars** and a full-throttle **Sales Day**, followed by real, **Fireside Chats** with successful business leaders. It was an intense, mandatory yet exciting shift that clearly proved one thing:

We're here to learn and work.

Sales day

Our Academic Experience

Apply ALL that you learn through a unique Inclass + Outclass model

The In-Class Curriculum

SEMESTER 1

A group of five students, three men and two women, are gathered around a table, looking at a laptop. They are all wearing grey business suits. One man is wearing a blue turban. They appear to be in a collaborative learning environment. In the background, a red banner with white text is partially visible. The text on the banner includes "end, vha" and "BUSINESS MANAGEMENT 2023".

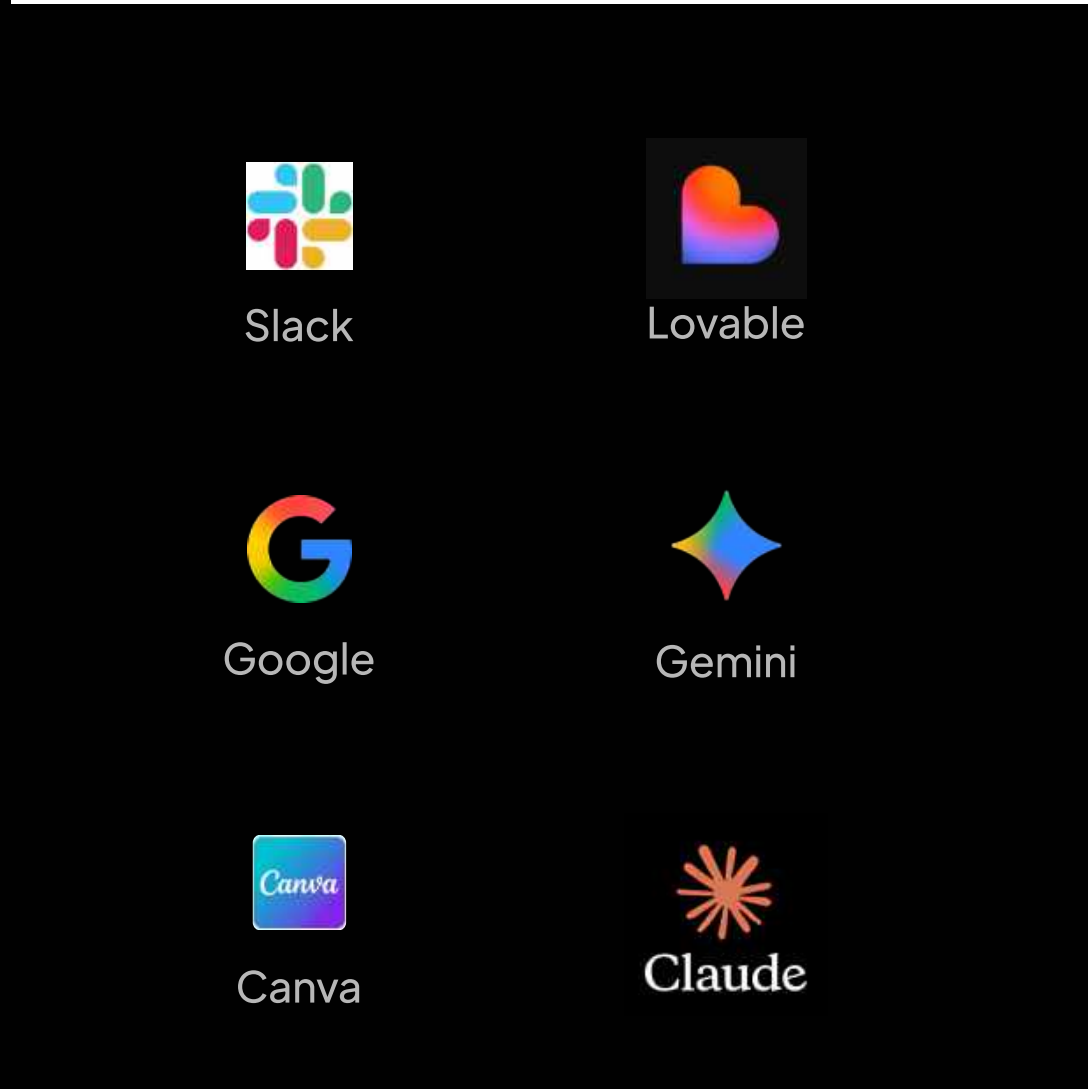

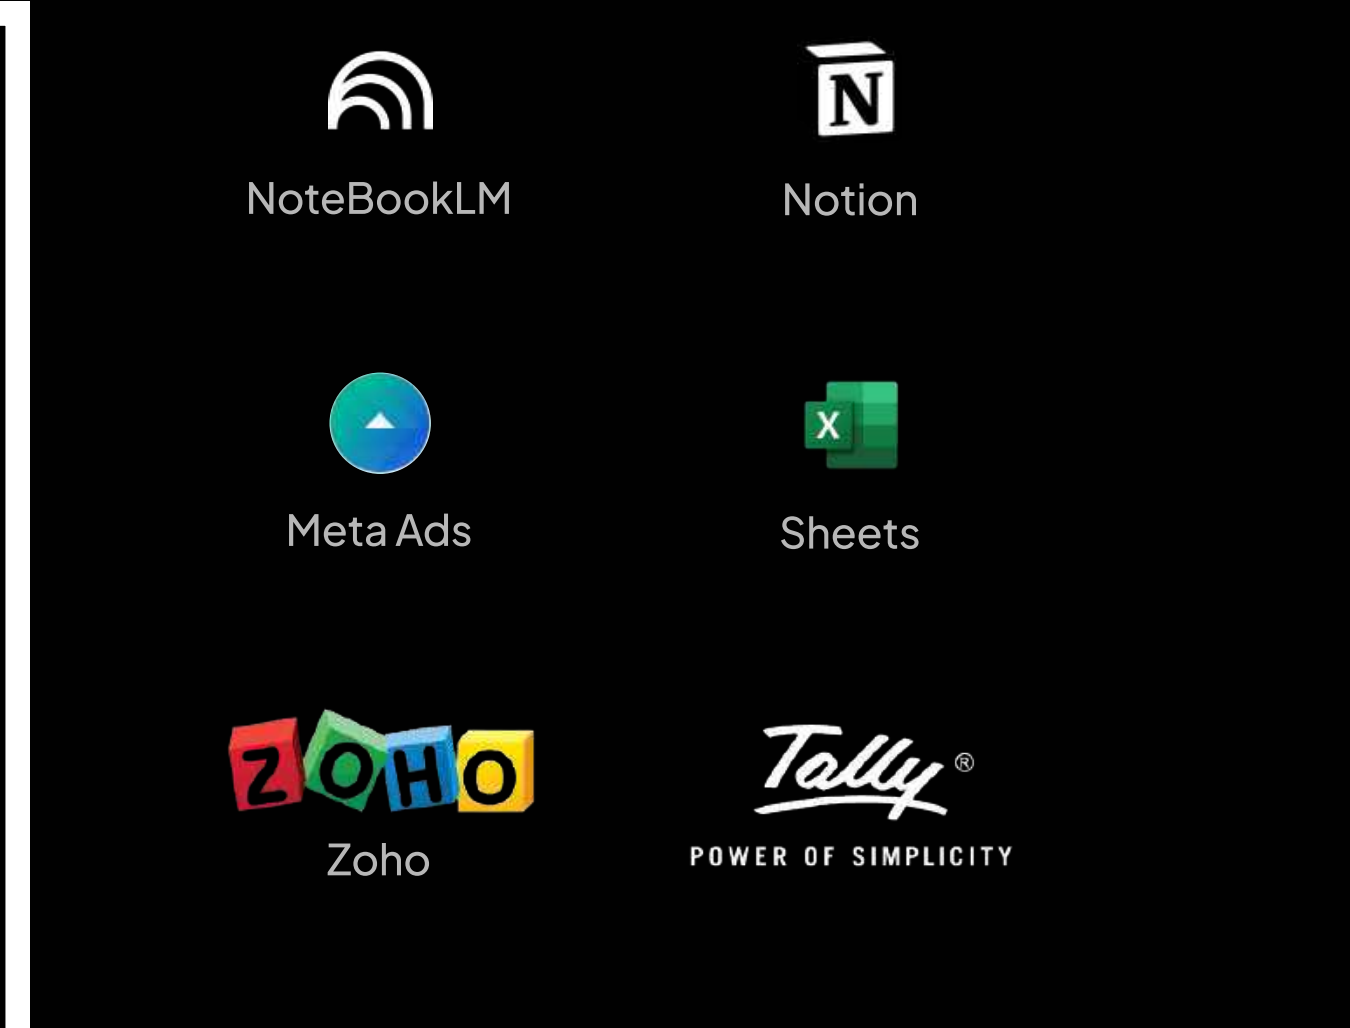

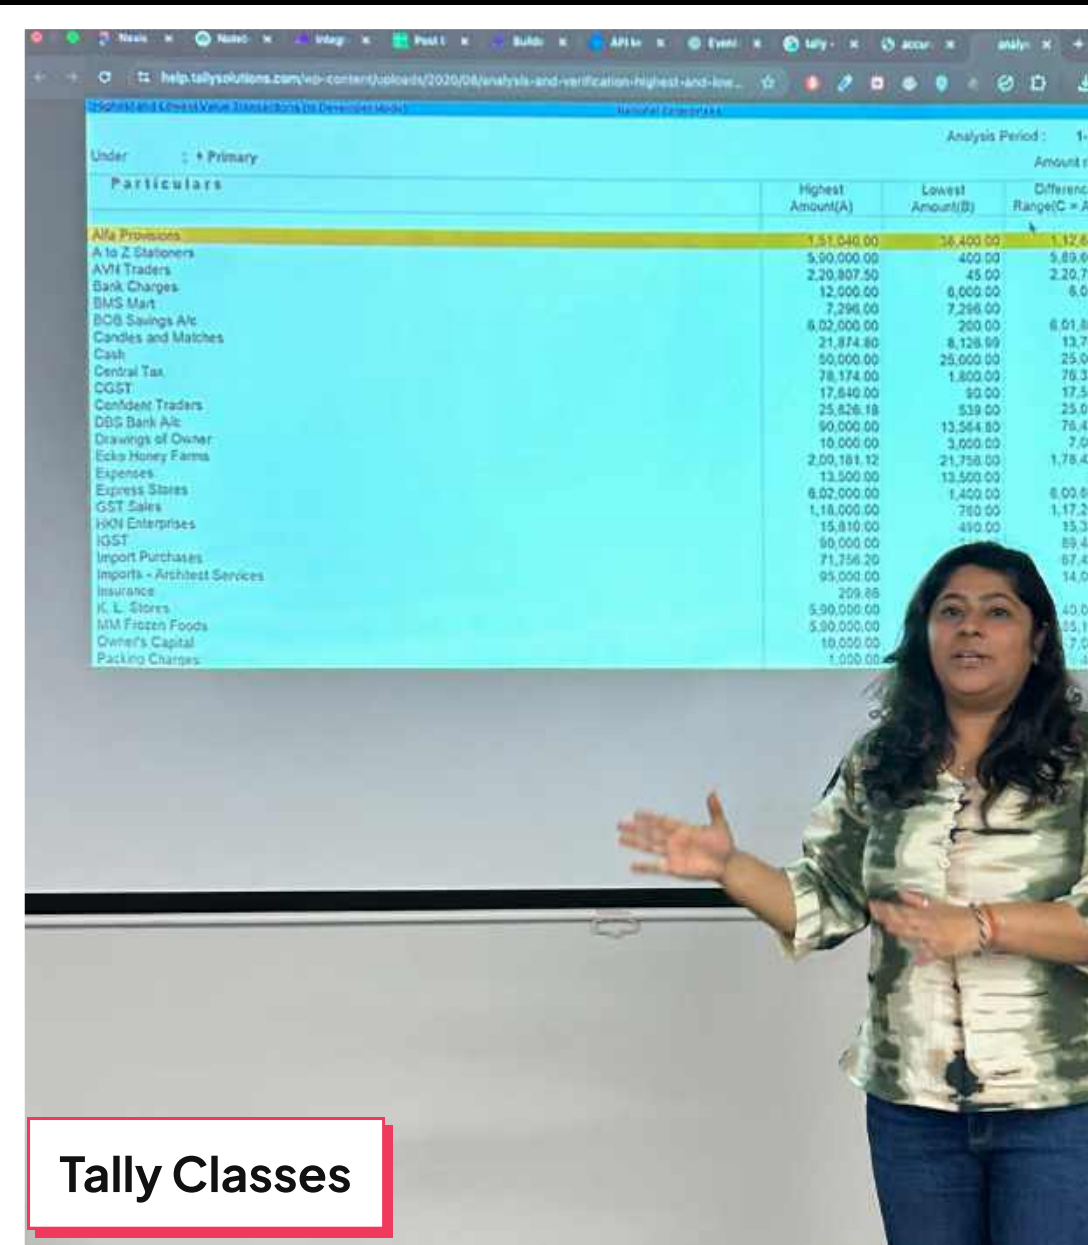

The Outclass Curriculum

Real World Projects

From Semester 1

Learning Industry Ready Skills And Tools

Our approach to business education is different. We focus on tools that actually big brands use and the ones students will use in their careers and ventures. From **Canva** and **Zoho** to **Tally**, from **ChatGPT** to AI automation, **Excel**, **Branding**, **Pitch**, & everything business!

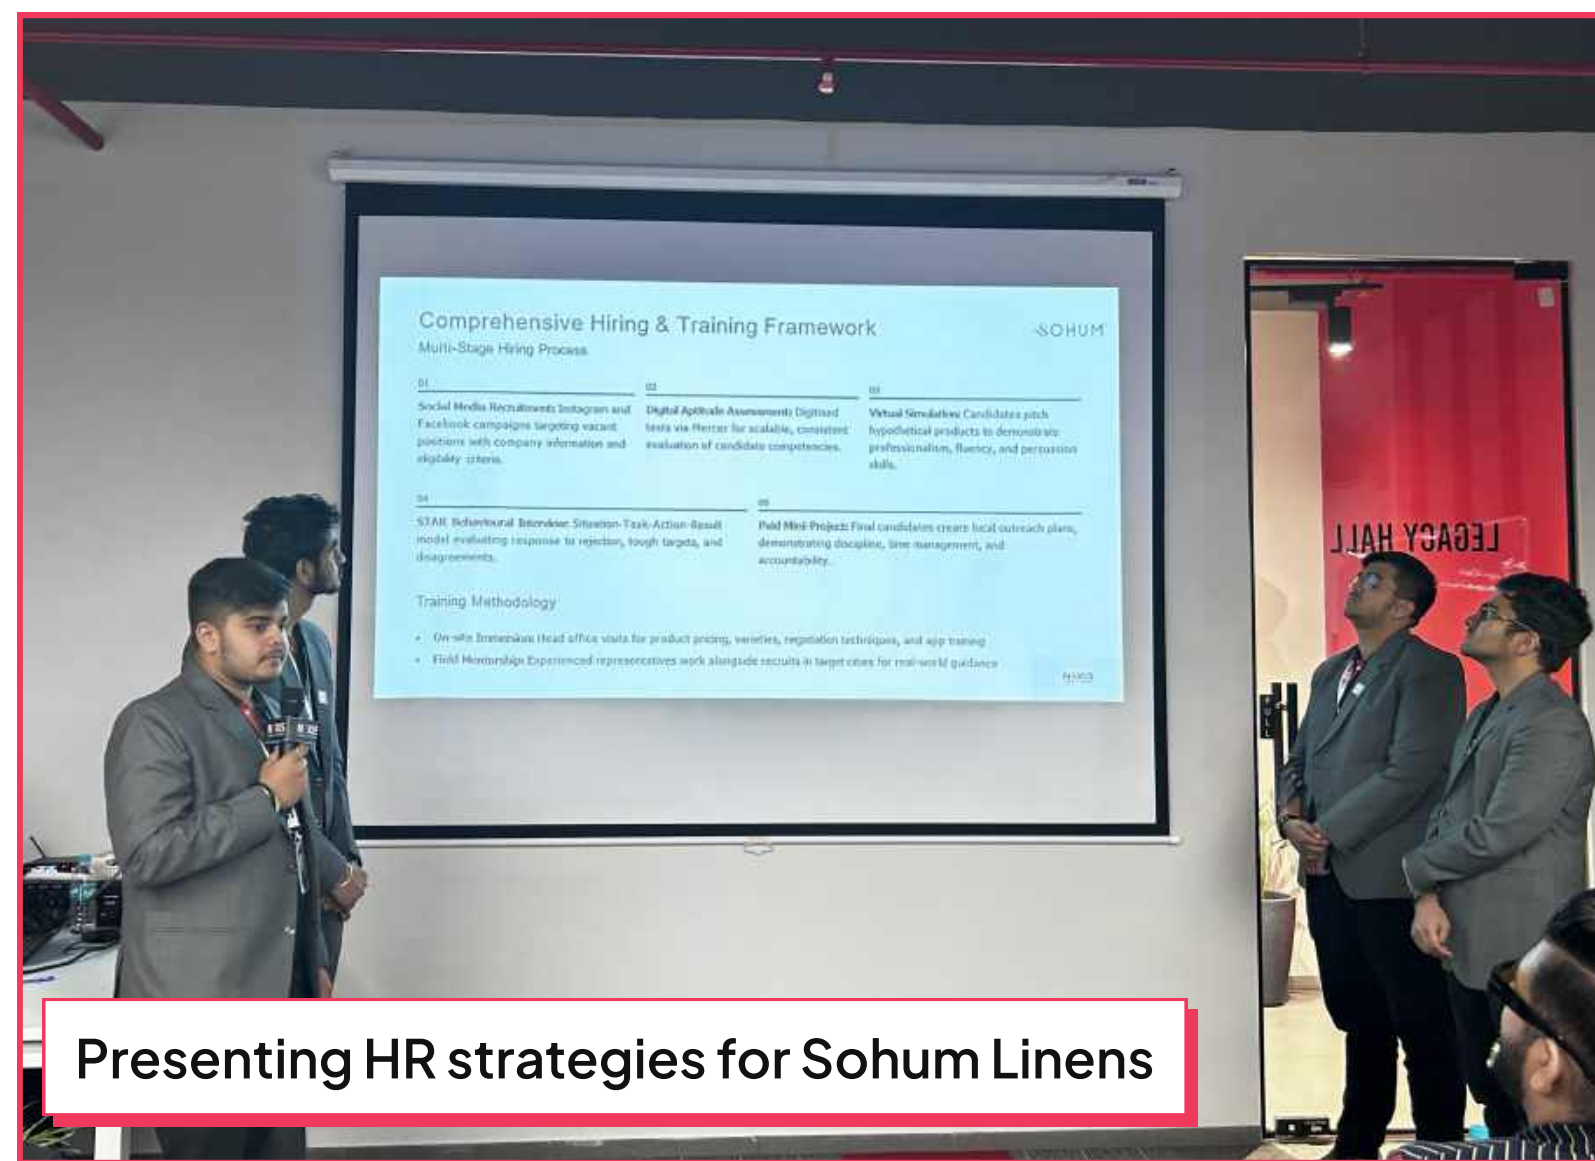

Local Business Consulting Challenge

From the very first semester, our founding batch didn't just study business - they did business. As consultants to real local businesses, they worked on real problems that these business were facing, offered potential solutions, and actually saw their ideas turn into results.

From **Sohum Linens** and **Kins Health** to **Ultraviolette Siliguri**, **Prabin Agarwal Investments**, and **Voyage Hotels & Resorts** - our students worked with some of the best business names in each sector.

Consulting Prabin Agarwal

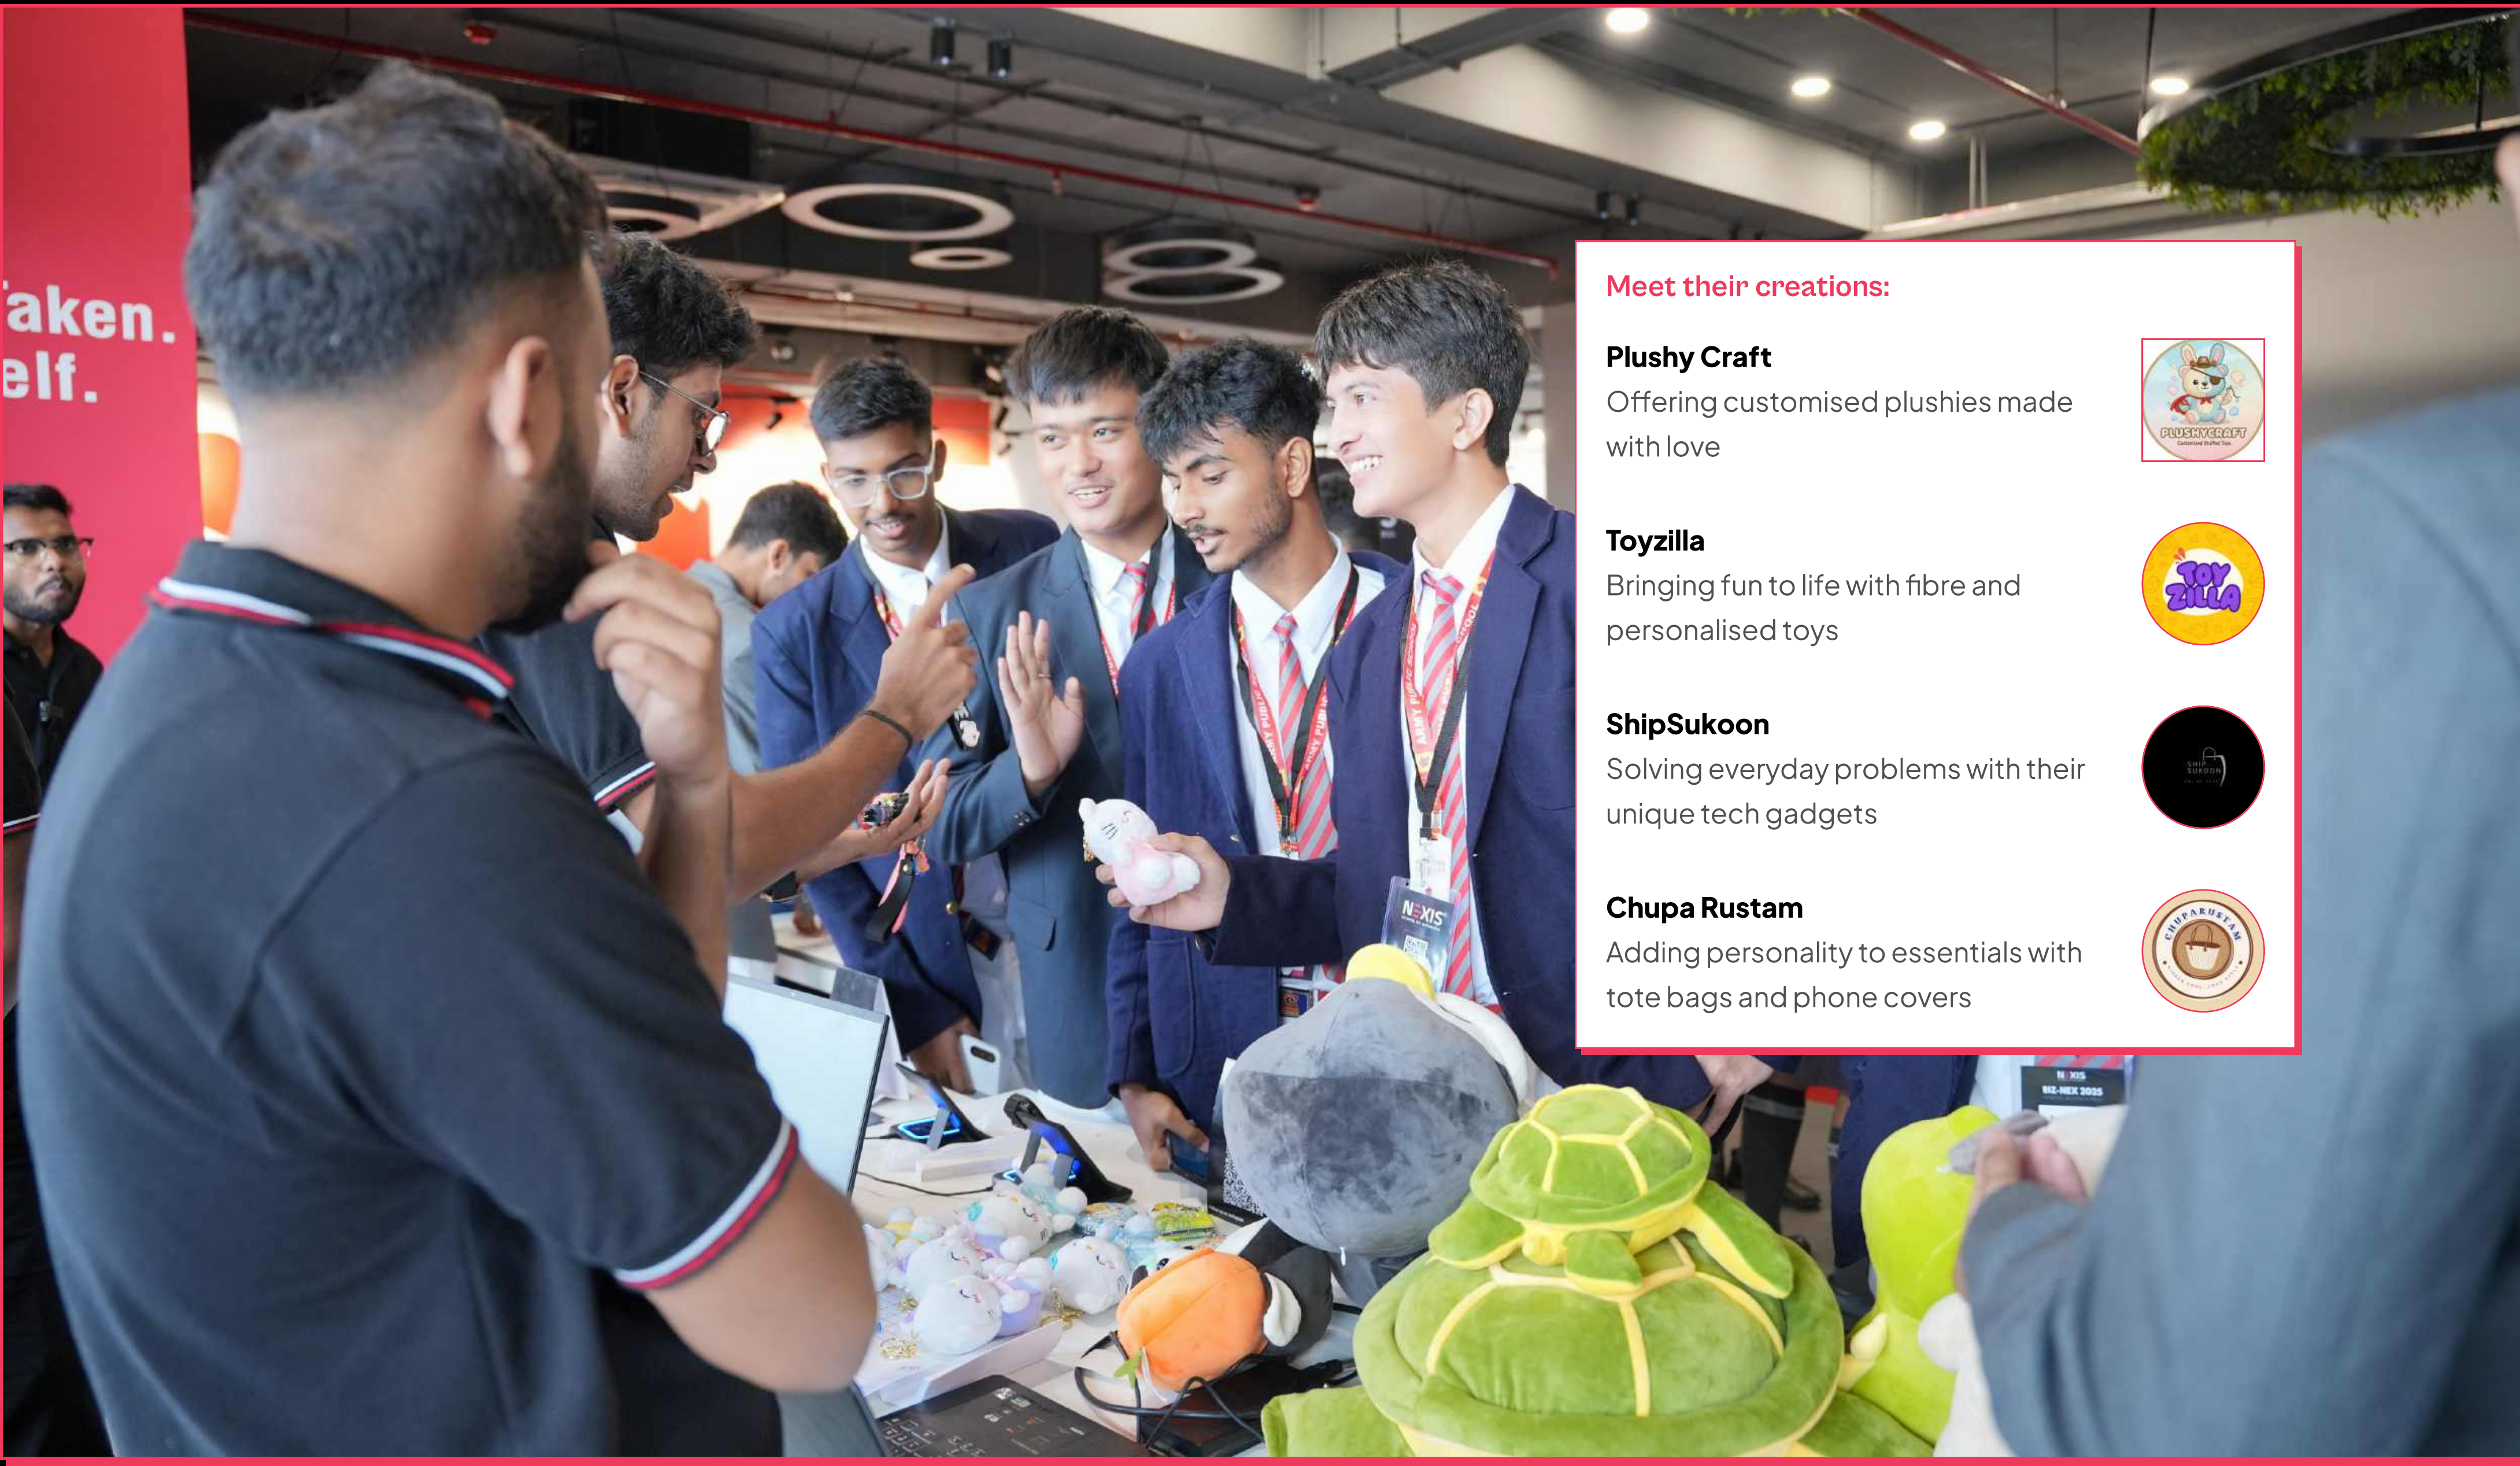

Presenting HR strategies for Sohum Linens

Students Built Real Businesses

While most first-year students are still figuring out what business really means, our students were already building their own. Through the **NEXIS Dropshipping Challenge**, they started **four real business ventures from scratch** – each with its own brand, product, and story.

In Sem 1

Meet their creations:

Plushy Craft

Offering customised plushies made with love

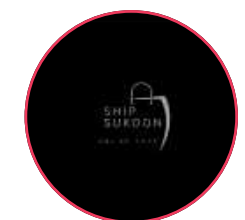

Toyzilla

Bringing fun to life with fibre and personalised toys

ShipSukoon

Solving everyday problems with their unique tech gadgets

Chupa Rustam

Adding personality to essentials with tote bags and phone covers

So, Who Taught @ NEXIS?

Decoding Real Operations Through Industry Visits

Our industry visits took students beyond campus – straight into factories and workplaces where business decisions come to life. They didn't just see how things work; they understood why they work that way. Each visit turned into a story of curiosity, questions, and lightbulb moments.

Interning Right From Year 1

At NEXIS, learning doesn't wait for graduation. Our students began interning right from Year 1, gaining real-world exposure, building networks, and strengthening their resumes along the way. From startups to established brands, they're already making an impact and doing wonders in the professional world.

Life at NEXIS

At NEXIS, every day is a mix of learning, creating, and celebrating together.

Houses & Student Councils

At NEXIS, every student belongs to a house a community that celebrates teamwork, creativity, and healthy competition. From business challenges to cultural fests, houses bring students together and keep the spirit alive. Guided by the Student Council, every event and initiative becomes a shared celebration of ideas and teamwork.

Clubs And Student Initiatives

Every club at NEXIS has its own purpose – and its own way of bringing students together.

01 The **Entrepreneurship Club** drives business events and bold ideas.

02 The **Finance Club** hosts finance hackathons and market simulations.

03 The **AI Club** explores innovation through tech hackathons.

04 The **Sports Club** keeps the spirit alive with campus tournaments.

05 The **Marketing Club** amplifies events online and builds engaging content.

06 The **Cultural & Communication Club** brings everyone together through festivals and celebrations.

Freshers

Sports & Fitness

At NEXIS, fitness isn't just about staying active - it's about finding balance. Each month brought a new sport, from cricket to badminton, keeping the campus full of energy and teamwork. Alongside that, yoga and meditation sessions led by wellness groups help students slow down, recharge, and refocus.

Pickleball

Campus Festivals & Celebrations

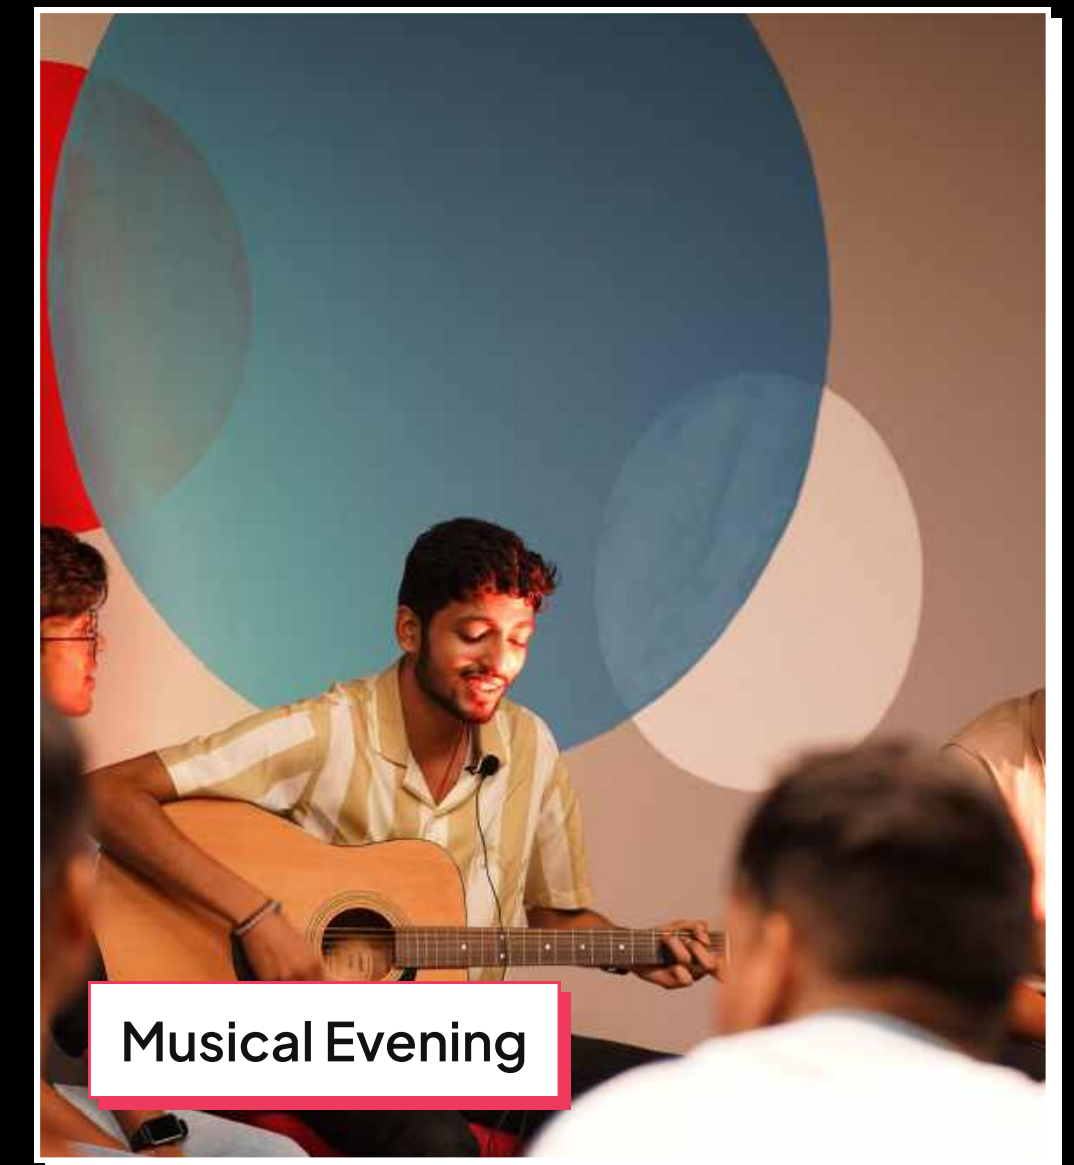

From **Teacher's Day** and **Diwali** to **Musical Nights**, **Freshers Fest**, and **Cultural Evenings** – every celebration at NEXIS was a reminder that learning goes beyond books. The campus came alive with colours, laughter, music, and moments that turned into lasting memories.

Freshers

Teachers Day

Musical Evening

One of the most touching highlights was our visit to **Uday School**, where students celebrated Diwali with the children – painting diyas, creating rangolis, sharing sweets, and spreading pure joy.

It was a day that reminded us how simple acts of kindness can light up lives – including our own.

Flagship Competitions And Events

BizNEX 2025

NEXIS team and students jointly organized BizNEX, the biggest b-fest of our region, where Class 11 and 12 students from different schools participated. With exciting events like the **CEO Challenge, Bidding Wars, Capital Clash, and BGMI Arena** - making BizNEX a perfect mix of learning, creativity, and competition.

150⁺ Participants

25K⁺ Cash prize given

PitchTank 2025

PitchTank brought Sharktank style to Siliguri with an exciting format.

In the first round, students pitched their own business ideas. In the second round, top business owners gave the qualifying students real-world problems to solve. The best ideas were then pitched to “sharks,” who handed out cheques with real money after intense negotiations with the winning students
